Club & Domestic Boxing Guidelines

The objective of this document is to provide guidance for Supervisors, Scottish Boxing Officials, Club Coaches and Boxers when involved/boxing at club level.

Rest Period for Boxers

The health, safety and welfare must always be our primary concern at all times. There should be a minimum 12-hour rest period between bouts for all registered BSL boxers.

Exhibition/Skills Bouts

Exhibition/Skills bouts are defined by BSL as a means of allowing BSL registered boxers to gain experience in a controlled environment in which contact is permitted. Exhibition/Skills bouts will be very strictly controlled by the referee under the close scrutiny and guidance of supervisor.

All bouts involving Junior, Youth and Elite boxers must adhere to the age classifications, weight categories and bout durations as identified in the AIBA AOB Technical & Competition rules and this guidance document, without fail.

During an Exhibition/Skills bout, competitive heavy blows are not permitted. Coaches, the Referee and Supervisor have a responsibility to discourage blows of this nature and must ensure this aspect is strictly adhered to. The health, safety and welfare of all boxers during Skills/Exhibition bouts must be everyone's primary concern and the Referee and/or the Supervisor will terminate any bouts they deem to be too competitive or in which heavy blows are used.

Coaches will not be permitted to 'coach' from the corners during an Exhibition/Skills bout.

There is no requirement for Judges to officiate during Exhibition/Skills bouts, as these contests are staged solely for the development of boxers and no opinion should be given.

No boxer who has boxed internationally can compete in an Exhibition/Skills bout with gaining prior permission from Boxing Scotland.

Skills/Exhibition bouts do not count towards a boxer's competitive record but every Skills/Exhibition bout upon completion must be recorded on the boxer's SME2 Registration book.

All Skills/Exhibition bouts involving Junior, Youth and Elite boxers must adhere to the age classifications, weight categories and bout durations as identified in the AIBA AOB Technical & Competition rules, without fail.

The host club Child Protection Officer (CWPO) must be present at all Exhibition/Skills bouts involving boxers under the age of 18 years.

No Exhibition/Skills bouts will be permitted at BSL District or National Championship events.
