

## Boxing Scotland Membership Policy

### General

1. The Club's articles of association ("Articles") govern the Club and individual and set out the rights and obligations of the members. The Articles are a public document, and a copy is available on the Club website under policies. As set out in the Articles, members must at all times comply with all of the Club's codes and rules.

**The following is taken from the Boxing Scotland Articles of the Association and reiterates the Membership and Structure articles.**

### 2. **Article 2 Membership (extracted from the Articles of Association 2021)**

2.1 The subscribers to the Memorandum and such bodies as are admitted to membership in accordance with the Articles shall be members of the Company (hereinafter referred to as "Members").

2.2 Any properly constituted Boxing club based in Scotland which undertakes to accept the provisions of the Memorandum and the Articles and to abide by the Regulations and the AIBA Regulations shall be eligible to apply for membership.

2.3 All applications for membership shall require to be in writing and in such form as the Board of Directors may require. Applications for membership shall require to be signed by the secretary of the Club and shall be accompanied by a copy of its constitution and rules, which shall be in accordance with these Articles and the AIBA Regulations, a list of its office bearers and a list of its members with addresses. All applications shall be sent to the Board of Directors whose decision shall be final.

2.4 The privileges of membership shall not be transferable.

2.5 All Members must have ownership or secure rights of access to suitably equipped accommodation for boxing so as to enable practical boxing instruction to be provided on at least two sessions each week (unless confirmed otherwise by the company).

2.6 All Members, including Districts must keep proper records, including a membership roll detailing all users and a bank account, all of which will be required to be provided on request at any time to the Board of Directors. To avoid doubt, the Board of Directors shall have the power to investigate the affairs of and visit any Member to ensure compliance with these Articles and the Regulations.

2.7 Members, District Committees and individual members of Members are required to comply with the terms of the Company's insurance policies and any instruction issued by the Company.

2.8 Each Member, District Committee and member of a Member shall be bound by and shall abide by these Articles. Any failure by any such individual, Member or District so to act will render such an individual, Member, or District liable to be treated as having been guilty of misconduct.

2.9 Any Member shall cease to be a member of the Company and their name shall be removed from the register of Members accordingly, subject to the undertaking provided for in Clause 6 of the Memorandum if:

(i) the Member resigns from membership by notice in writing given to the Accountable Officer and/or Board of Directors;

(ii) the Member's annual subscription remains unpaid after 31st December next following the date when it became due, and the Board of Directors resolves that such membership be terminated; or

(iii) the Member is expelled from membership by the Board of Directors in accordance with Article 16 of the Articles of the Association.

Any member of the Board of Directors or Company employee shall be permitted to visit any Club/Member or District committee meeting at their discretion on reasonable notice.

### **3. Article 3 Subscription (extracted from the Articles of Association 2021)**

3.1 Each Member shall pay a subscription annually or otherwise as may be determined from time to time by the Board of Directors. Annual subscriptions shall be due by 31st July of each calendar year. Failure to make payment by the relevant 31st July and submit fully completed affiliation details shall result in the defaulting Member being barred from participating in and benefiting from any of the activities of the Company and or the district of which the Club is a member until such time as the monies due are paid to the Company and all forms are completed properly and in their entirety.

3.2 The Company has the ability to determine that the registration of any boxer/official of any Member in default be transferred to any other Member at the request of the boxer/official provided that the Accountable Officer is satisfied that the default has not arisen merely as a result of an oversight.

### **Individual Membership**

4. Boxing Scotland members must complete the BSL membership process as defined in the Club Pack; and provide any documents we ask for to make sure you are eligible for the type of membership for which you are applying. This will include the application process and PVG administration where a PVG will be required. We can reject any application for membership or for a change in the terms of membership.

5. These Rules include a provision that all members are bound by the Anti-Doping Rules for a period of 12 months from the date of commencement of their membership rather than when membership lapses.

6. The current policies for membership, including 'Individual' and 'Club' membership, provide for annual membership, with registration from 1st August of each year. The membership continues until 31st July of the following year. Members are encouraged to renew their membership promptly. In practice, a substantial number of people and clubs do not do so. There are occasional lapses between August and late September/early October before some Clubs/Members renew their membership. This is typically attributed to a perception that membership is inherently linked to what is seen as the 'traditional boxing season,' which in practical terms, runs from September – May. Thus, in practice, for many, individual and clubs, membership is seen as being aligned with the boxing season (September - May) rather than being something to do to meet the 1st of August renewal date each year.
